5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Most of the activities revolve around students.

Their representation and engagement is essential. councils and committees is taken care. Student Council: As it is banned by the Punjab government, so college do not have any student council. College Development Council: As per instructions from government, a student representative is also a member of college development council.

Library Committee: As per the instructions from Punjab government, a student representative is also a part of this

committee. This committee takes decision for the upgradation and development of library. Internal Quality Assurance Cell: It is a very important cell for taking overall decisions for quality education in college. As per the structure of council finalised by the University Grant Commission, a student representative is taken as a member of the cell. Department Students Societies: Every department has a student representative body with duly selected/elected members. These societies plan and organize department activities taking into account feedback elicited from students of the department. Editorial Board for Magazine: College magazine "KUKNUS" is an important platform where students can get the poems, articles, and other items published in it. Students are an important part of this editorial board. They have full authority in selection of items for the magazine. National Service Scheme (NSS): College is allotted three NSS units by the university. Each unit consists of 100 volunteers. The volunteers registered in NSS unit render community service both inside and outside the college premises.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The vision and mission of an institution is its guiding framework. The leadership at helm in the form of the Governing Body works closely in tandem with the Principal of the college to ensure that the policies of the institution and its practices lead to its defined vision, which is "Pursuit of knowledge, innovation and research through holistic and transformative education to nurture future leaders." They also acknowledge that the vision and mission of the institution is

dynamic and organic. The college is committed to: ? To impart world-class higher education. ? To empower students to evolve as creative and intellectual professionals. ? To provide a conducive environment for collaborative opportunities between industry and academia. ? To evolve socially responsible men and women, sensitive and sensitized to green best practices. ? To raise outstanding citizens who bring value to society and contribute towards nation building. The synergies of the governance and leadership along with the college faculty and administration proactively ensure that stated objectives are adhered to. The IQAC, a NAAC initiative, is the nodal committee which works with all departments to periodically assess and ensure that quality remains the defining element of education being imparted. Besides the IQAC, various Staff Council committees and other statutory bodies of the college work towards ensuring that the academic environment of the college remains inclusive and holistic. The governance and leadership are ready to embrace NEP 2020 and lead its students towards educational practices which are more flexible, diverse, and inclusive for nuanced intellectual and social transformation.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Different officials from teaching staff are appointed to decentralised important management tasks of college, Bursar takes care of financial and accounts matters. Registrar works on examination matters of college. Youth Coordinator manages the activities of students like cultural activities. Similarly, IQAC Coordinator takes care of NAAC related issues. Various committees are formed which work independently to take care of allotted tasks like Water & Sanitisation committee, electricity & generator committee, Sexual Harassment Grievances committee, Discipline committee etc. At the same time participative management is also introduced in college. Parent Teacher Association involve important office Bearer of college, Teaching staff members and Parents of students to give proper representation to every section of college for management decisions. Academic council also consists of Senior teachers and Principal of college, which

regularly conduct meetings on important affairs of college. Staff meetings are also organised where every staff member can share his/her opinion on important issues of college. Thus, affairs of college are managed by giving independence to the office bearers and committees of college and at the same time councils, associations, and committees work with participative approach in managing the college.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

College cannot work without a proper strategy and its effective deployment. For admission in college committees are formed in the start of session. An academic calendar is framed to work in a scheduled way effectively. Similarly, after admission, a timetable is prepared to distribute classrooms, periods, and other facilities of college in a rational and fair way. For examination always a date sheet and duties of staff are prepared to conduct these in a calm & smooth way. Without a strategy and plan, the resources of college cannot be applied effectively. College is making these workable very impressively. Strategies were modified time to time with instructions from Government & University. Online and offline methods were deployed effectively using available Apps and Social Media groups in previous sessions but in session 2023-24 exams were conducted in offline way to overcome the effect of CORONA of previous sessions. Mid term tests were conducted to prepare students for university exams.
